51. - 62. sorularda, verilen cümleye anlamca en yakın ifadeyi bulunuz.

51. **Because of the rapid decline in the patient's health, the doctor had to perform an emergency operation.**

- A) Because of the unexpected worsening in the patient's condition, the doctor started to worry about the upcoming surgery.
- B) The doctor delayed the surgery since the condition of the patient was getting worse and worse.
- C) As the patient's health worsened quickly, the doctor was obliged to operate on him urgently.
- D) The unexpected change in the condition of the patient forced the doctor to make an urgent decision.
- E) Now that the patient's health has improved, the doctor can put off the emergency operation.

52. **Seldom do parents interest themselves in planning for the activities of their children.**

- A) Parents shouldn't try to make plans about what kind of activities their children will take part in.
- B) Children are often disturbed by their parents' interference in their free time activities.
- C) Rarely do children want their parents to be around when they are absorbed in their free time activities.
- D) Only parents who bother to spend time with their children can create the environment of mutual trust.
- E) Parents rarely bother to make plans about the activities their children will be involved in.

53. **The teacher's heartening assessment of the student's performance boosted her confidence.**

- A) With his encouraging evaluation of her performance, the teacher increased the student's confidence tremendously.
- B) Had the teacher assessed the student's performance more positively, her self-confidence wouldn't have been ruined.
- C) Despite the teacher's favourable comments about her performance, the student still lacked self-confidence.
- D) The student's increased confidence had nothing to do with the evaluation made by the teacher about her performance.
- E) The teacher should know that he could have increased his student's performance with some positive comments.

54. **It is a well-known fact that few teenagers adopt their parents' style of dress or taste in music.**

- A) Doubtless to say, some teenagers ignore their parents' style of dress but accept their taste in music.
- B) Teenagers do not understand why their parents keep complaining about the clothes they wear and the music they listen to.
- C) That most teenagers do not agree to their parents' dress code and music taste is an undeniable fact.
- D) One should remember that it's pointless to try to change teenagers' way of dressing and taste of music.
- E) Several teenagers have openly stated that they do not care what their parents think about their clothes and their music.
