- A) as B) unlike
C) except D) but for
E) such as

1. - 118. sorularda, karşılıklı konuşmanın boş bırakılan kısmını tamamlayabilecek ifadeyi bulunuz.

1.

Tammy:

- **Have you been shopping? Your hands are full of bags.**

Christopher:

- **No, I haven't. I have moved my house and my friend gave me a few of the things I needed for my new house.**

Tammy:

- ----

Christopher:

- **That's very kind of you but I am good for now. If I do, I will ask you.**

- A) Do you need anything else because I may have a few extra things I don't need any more?
- B) It is nice to have such good friends who are there to help you when you need them, isn't it?
- C) I can come and help you move if you need help with the packing.
- D) Would you like me to drive you as they seem pretty heavy?
- E) I would have loved to help you carry those but unfortunately I don't have the time.

2.

Henry:

- **I am shocked to learn that people eat dogs and cats in Asia. I knew about the dog festival in China but eating cats is a surprise.**

Max:

- ----

Henry:

- **I know and the paper says Vietnamese cat meat lovers call them "little tigers." They are sold at restaurants where consumers eat them with beer.**

Max:

- **What's more shocking is that the Vietnamese consume so many little tigers that there is a shortage of cats to make the delicacy.**

- A) Some birds eat as much as twice their own weight each day. They eat more than the average cat.
- B) I could never eat another animal because I am vegetarian, so I don't understand how these people can eat dogs.
- C) We might become disgusted at the thought of eating a cat, but in Vietnam, these animals are just another source of meat it appears.
- D) They eat such different things in Asia that I am surprised they aren't infected with more viruses.
- E) Humans have 7,000 taste buds but, a cat fish has 27,000 so these animals are much better than us in detecting different tastes.

111.

Sally:

- **My son asked for the new edition of a video game but it is too expensive. I don't know if he is addicted or not because normally he wouldn't ask for such an expensive item.**

Jackson:

- **Even for players who are not addicted, video games can be a very expensive form of entertainment.**

Sally:

- ----

Jackson:

- **Academic success is often one of most obvious causalities of video game addiction.**

- A) Since my husband and I are separated, whatever he doesn't get from me he asks from his father.
- B) His father seems to have got him what he wants without even consulting me.
- C) Although he has some money saved up I am going to wait till he gets his exam results.
- D) Even if I could afford it I don't think he should get it because he started doing terrible in school after he started playing extensively.
- E) I don't want him to start thinking that he can anything that he desires.

112.

Lisa :

- **How many different houses have you lived in?**

Nina :

- ----

Lisa :

- **Lucky you. We've had to move almost ten times because of my father's job.**

Nina :

- **You're lucky, too. Every new house means a new circle of friends.**

- A) I don't remember. Why do you ask? Do I have to answer this question?
- B) How often do you decorate your house? Do you follow the fashion?
- C) More than ten, but I don't think it was a disadvantage.
- D) Do you want me to tell you my permanent address?
- E) I've lived in this same house since I was born.

113.

Carl :

- **I'm not going to take the final exams. I really got bored.**

Peter :

- ----

Carl :

- **Why not? Will your parents let you do this?**

Peter :

- **I don't need their permission. I can do what I want. I am a grown-up.**

- A) Neither am I. We can take a long holiday together.
- B) Are you crazy? You'll fail your courses if you don't.
- C) Lucky you. I wish I were as good a student as you.
- D) Too bad. I thought we could go out together tonight.
- E) So sad. I always believed you would be a successful student.

114.

Mother :

- ----

Daughter :

- **I'm fed up with hearing this wicked wish. Try to be more creative.**

Mother :

- **Watch your words or I'll punish you. How dare you talk to me like that?**

Daughter :

- **You can't make me do anything. I'm eighteen years old.**

- A) If someone is evaluating me, I expect the worst.
- B) I hope someday you have children just like you.
- C) Do you mind if I keep this door open? Does the music disturb you?
- D) You are the most intelligent person I've ever met.
- E) I wish I could help but I'll be busy all weekend.

1. - 130. sorularda, verilen cümleye anlamca en yakın cümleyi bulunuz.

1. **Our family, friends, community and the experiences we have had all contribute to our sense of who we are and how we view the world.**

- A) The people we are surrounded with and our experiences all play a part in the eventual person we become and what we think about the world.
- B) The people we have shared our environment with and what we have done in life make up the person we become eventually and our ideology on life.
- C) There are various factors that are partly responsible for the development of one's personality and ideology such as family, friends, communities and experiences.
- D) The people we have shared our environment with and what we have experienced play equal parts in the person we think we are and how the world works.
- E) The person we think we are and how we see the world are shaped by the contributions of our family, friends, community along with our experiences.

2. ***Alice in Wonderland* was originally written for adults but the book has been read by millions of children.**

- A) Although *Alice in Wonderland* was aimed at grownups, it is enjoyed only by children.
- B) *Alice in Wonderland* was written for adults at first but then it was adapted to children's reading taste.
- C) *Alice in Wonderland* is not widely read by children as its plot mainly concerns adults.
- D) It is mainly children rather than adults who enjoy reading *Alice in Wonderland*.
- E) *Alice in Wonderland* has been popular with millions of children though it was initially written for adults.

3. **It goes without doubt that cities are the best places to find job opportunities.**

- A) In a city, one certainly has a better chance to find a job than in any other places.
- B) People are sure that there are many job opportunities in the country except for big cities.
- C) Knowing that they cannot find a job in a place other than a city, people move to cities.
- D) A person living in a city has difficulty choosing what job is best for him.
- E) There are many good job opportunities in cities but chances in other places cannot be denied.

4. **No one but Alan was able to answer all the exam questions without a mistake.**

- A) The exam questions were so difficult that even Alan couldn't give the right answers fully.
- B) Everybody in the class answered all the questions in the exam but Alan couldn't.
- C) It was only Alan in the class who could answer all the questions in the exam without making a mistake.
- D) The other students' mistakes in the exam questions were not as many as those of Alan's.
- E) Most of the students got a failing grade in the exam except for Alan who passed it easily.

6. **If the government officials we spoke to last week had been aware of the urgency of the matter, we wouldn't be in this situation now.**

- A) We have been in a better situation ever since the government officials we spoke to last week took some precautions.
- B) We were in a bad situation due to the government officials we spoke to who were unaware of the urgency of the matter.
- C) We are in this situation now as the government officials we spoke to last week were unaware of the urgency of the matter.
- D) We spoke to some government officials about the urgency of the matter last week but they did not change anything.
- E) Though the government officials we spoke to last week were aware of the urgency of the matter, we are still in this situation now.

5. **Although I can't speak their language at all, I can convey the meaning by using body language.**

- A) Even though I'm not very good at their language, I can communicate most of what I mean through body language.
- B) As I'm not able to speak their language very well, I try to express myself by means of body language.
- C) What makes it possible for me to communicate whatever I want is my advanced knowledge of their language.
- D) Body language is enough for me to put across my message despite the fact that I have no knowledge of their language.
- E) I can't speak a word of their language, yet I can understand whatever they say through body language.

7. **While we don't exactly know what will happen to the murderer, we can imagine a few different scenarios.**

- A) What exactly will happen to the murderer is unknown to us, but we might as well speculate on some scenarios.
- B) We have not been informed about what will happen to the murderer, yet he probably knows the likely consequences.
- C) We're not imaginative enough to produce scenarios about what will happen to the murderer, so we'd better wait for the verdict.
- D) The murderer is curious about what will happen to himself, but he certainly knows he won't get away with it this time.
- E) Until we find out what will happen to the murderer, we should wait patiently without talking about any possible scenarios.

1. - 131. sorularda, verilen durumda söylenmiş olabilecek sözü bulunuz.

1. You are trying to organise a farewell party in a famous restaurant for Chinese tourists who have been staying in Istanbul for a week. You decide to talk to the restaurant's manager and advise him to offer the guests traditional Turkish food. So you phone and say: ----

- A) If you serve them dishes from Turkish cuisine, they will be very pleased with your restaurant.
- B) You had better not offer them Turkish food, as they are not accustomed to it.
- C) Yours may be the best restaurant in town but they are not used to eating traditional Turkish food.
- D) Please don't forget to serve them something Chinese, which they are used to eating.
- E) They are all vegetarians so please try to serve them some food with vegetables in it.

2. You are in the classroom and trying to answer the questions in your exam paper. It is quite hot, so the windows are wide open. There is a lot of noise coming from outside. You try not to pay attention but you realise that you won't be able to continue answering the questions. You decide to show your uneasiness to your teacher, so you say: ----

- A) Is it possible to close the windows because I find it really hard to concentrate?
- B) As you have reminded us many times, we are getting used to coping with such noisy atmosphere.
- C) Would you mind if I went out and invited them to join us instead of playing around?
- D) If you feel uncomfortable in this seat, why don't you try changing it?
- E) Is there anything I can do to prevent this noise?

3. The latest forest fires, most of which have been set up deliberately, upset you a lot. Moreover, you are furious about the fact that no serious precautions seem to have been taken yet. Sharing this idea with your friends, you say: ----

- A) The authorities claim they have caught the criminals already.
- B) I can't understand why there are so many forest fires in the summer season.
- C) I am sure the ones setting up the fires will get what they deserve.
- D) The government is going to implement strict laws against this crime.
- E) If there were strict measures, I am sure there could have been fewer fires in forests.

4. You have beautiful skin but you take skincare very seriously. You follow the most effective skincare products and you have discovered a Korean moisturizer recently and it is magical on your skin. Your friend has noticed the difference and she says your skin even got better-looking and she could never have beautiful skin like you do. You know she could if she knew what you have discovered so you say: ----

- A) You can have better skin if you take better care of your skin and start a routine and buy some beauty products.
- B) I have discovered a Korean face mask and it is doing wonders on my face so you should get it soon.
- C) If you haven't heard about the magic of Korean skincare, you're missing out. This moisturizer is extremely effective.
- D) You always say that but you don't want to spend any money on beauty products so you can never have my skin.
- E) I am always searching for the best products for my face and you should do the same if you want prettier skin.

5. Your son has been studying at Open University, so he has a lot of free time to work. He walks around idly and spends a lot of money. Seeing that he has no such intention of working, you think it is time to talk to him about this without hurting him. You say: ----

- A) I am fed up with your indifferent attitudes towards our financial matters.
- B) You could have studied harder to get into a proper university.
- C) You shouldn't bother to work as my income is enough for all of us.
- D) If you find a job, you will not only pass your time better but earn your pocket money as well.
- E) When do you think you'll have enough responsibility to share the household expenses?

6. There is a gym centre close to your house but you have never been there so far because you think it will be boring to go there without someone. When a friend suggests going there together, you immediately agree with him and say: ----

- A) I don't think it will help me keep fit. To me, walking in the park is the best way.
- B) It will be great as I don't feel like going there alone.
- C) I'd like to but I don't have enough time to do such an activity.
- D) I usually go to such places whenever I have free time but I am very busy nowadays.
- E) It is good to hear that you have agreed to join me to go there.

7. You get into a big argument with your boss over something trivial. After some time, you regret driving him crazy, as you know that he'll never forget this and that he will take it out on you sooner or later. Yet, you know you are skilful enough to find another job easily, so you calm yourself down by saying: ----

- A) If he causes any trouble, I'll walk out. I may paddle my own canoe.
- B) He's been quite compassionate to all of us.
- C) I shouldn't have criticized his performance. I know it was wrong.
- D) We could have settled this issue in a different way.
- E) He may not be the best boss in the world but he certainly is a good father.

1. - 105. sorularda, boş bırakılan yere parçada anlam bütünlüğünü sağlamak için getirilebilecek cümleyi bulunuz.

1. **Everyone knows that too much wine can have many bad effects on the body. Yet, doctors discovered recently that a small amount of red wine may have at least one good effect. It may lower the level of cholesterol in the blood. ---- Instead, scientists have learned that there is a special chemical that lowers cholesterol. This chemical is present in purple grape juice. So people with high cholesterol can get the same benefit without drinking wine.**
- A) So if you have a glass of wine, you help decrease the blood sugar levels in your body.
- B) However, new research now proves that this is not the result of the alcohol in the wine.
- C) First of all, wine, like any other item ingested, should be taken in moderation.
- D) Wine, like anything else overdone, can harm your body in large quantities.
- E) Grape juice had sometimes more antioxidant power than other popular juice.

2. **Many of the ancient pagan religions considered objects in nature such as animals, rocks, and especially trees to be of much importance. Trees were believed to have magical abilities, specifically in the area of healing. ---- It was thought that they had memories and the ability to communicate with people under the right circumstances. So important were trees that there were a system of fines to be imposed on anyone who cut one down unnecessarily.**

- A) The practice of saying "touch the wood" is a remnant of the pagan beliefs regarding trees.
- B) Besides, blacksmiths were believed to have secret knowledge that they could use to cure illnesses in paganism.
- C) Even some of the rituals that still exist today can trace their roots to pagan religions.
- D) At one time it was believed that the wood had magical properties and was capable of bringing good luck.
- E) Even human characteristics were attributed to trees.

1. - 62. sorularda, verilen İngilizce cümleye anlamca en yakın Türkçe cümleyi bulunuz.

1. **According to psychologists, parents should be consistent about the rules they establish and they shouldn't change them constantly.**

- A) Psikologlara göre, aileler koydukları kurallarda tutarlı olmalı ve onları sürekli değiştirmemelidir.
- B) Psikologlar, aileleri koydukları kurallarda tutarlı olmaları ve bu kuralları sık sık değiştirmemeleri konusunda uyarmaktadır.
- C) Psikologlara göre, aileler koymuş oldukları kurallara sadık kalmalı ve onları sürekli değiştirmemeli.
- D) Psikologlara göre, aileler koymuş oldukları kuralları devamlı değiştirerek tutarsız davranışlarda bulunmamalı.
- E) Psikologlara göre, çocuklara koyulan kurallar tutarlı olmalı ve sürekli değiştirilmemelidir.

2. **The stars are so far from us and from each other that the distances between cannot be calculated in miles.**

- A) Yıldızlar bizden ve birbirlerinden o kadar uzaktır ki aralarındaki mesafeleri millerle ölçmek imkansızdır.
- B) Yıldızların bizimle ve birbirleriyle olan uzaklıklarını millerle ölçmek neredeyse imkansızdır.
- C) Yıldızlar bizden ve birbirlerinden o kadar uzaktır ki aradaki mesafeler millerle ölçülemez.
- D) Yıldızların bizden ve birbirlerinden olan uzaklıkları millerle ölçülemeyecek kadar fazladır.
- E) Yıldızların birbirlerine olan uzaklıklarının bu kadar çok oluşu aradaki uzaklığın millerle ölçülmesini imkansız hale getirmiştir.

3. **Hunting for a job is a very painful experience, but something that nearly everyone must endure at least once in a lifetime.**

- A) İş aramak çok zahmetli ama hemen hemen herkesin hayatı boyunca en az bir kere katlanmak zorunda kaldığı bir deneyimdir.
- B) İş aramak herkesin hayatında en az bir kere katlanmak zorunda kaldığı çok zor bir deneyimdir.
- C) Hemen hemen herkesin hayatı boyunca bir kez katlanmak zorunda kaldığı ama aynı zamanda çok da zor olan deneyimlerden biri de iş aramaktır.
- D) İş aramak çok zahmetli bir deneyimdir ama hemen hemen herkes hayatı boyunca bir kere bu tecrübeye katlanmak zorunda kalmıştır.
- E) İş aramak neredeyse herkesin hayatında en az bir kere katlanmak zorunda kaldığı zahmetli bir tecrübedir.
